License No. 17275

ORDER TO REINSTATE

Board File No. 2004-0054

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design ("Board") received a Notice to Suspend Occupational or Professional License(s) from Hennepin County Child Support on February 25, 2004, which advised the Board that Respondent was in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times his total monthly support and maintenance payments.

Based upon the Notice to Suspend Occupational or Professional License and Minnesota Statutes section 518.551, subdivision 12 (2002), the Board issued an Order for Suspension of License on March 6, 2004.

Respondent's license to practice professional engineering in the State of Minnesota subsequently expired on June 30, 2004.

On July 8, 2004, the Board received correspondence from Hennepin County Child Support requesting that the Board reinstate Respondent's license. The Board has reviewed and considered the information. Based on the information presented, the Board issues the following ORDER:

1. IT IS HEREBY ORDERED that the Order for Suspension issued to Respondent on March 6, 2004, is hereby RESCINDED and shall have no further force and effect.
2. IT IS FURTHER ORDERED that the professional engineering license issued to Respondent in the State of Minnesota be renewed upon Respondent's

completion of all applicable continuing education required pursuant to Minn. Stat. 326.107 (2002) and the submission of a completed renewal application, and a completed continuing education reporting form, and payment of all applicable fees.
